

## Word for 2024 – Alex Wallace

In the spirit, I saw a giant wave. I saw a giant wave that was curling up and mounting up, and the wave was headed toward the shore. I saw a barrier that had been set up, and a man was standing behind the barrier. And the Lord would say, get ready because in 2024, I'm curling up the wave of My Spirit. The wave of My Spirit is even poised. It's ready. It's targeted. I'm targeting those things that would try to keep Me out. They would say, I'm going to keep You out of my school, I'm going to keep You out of my church, I'm going to keep You out of my nation. But the Lord says, no you're not. I'm going to bring a barrier breaking anointing upon you even in this hour, says the Lord. Get ready for 2024. I'm opening a door. I'm opening it wide open, says the Lord. The breaker anointing is what I'm even depositing, even in the realm of your land and in the realm of the Spirit, says the Lord.

I saw these missiles, and these red missiles were flying by. And the Lord says, think it not strange the level of intensity of warfare, for it's that that is building up. Do not be afraid, says the Lord. Because I know what's happening, and I know what's going on. I know even what I'm doing even in the midst of it all, says the Lord. Hang onto Me in the midst of warfare. Hang onto Me in the midst of pain because I'm doing something. You're going to see My hand. You're going to see My strategy, My purpose and even what I'm doing in the midst of the intensity that's coming upon warfare.

Then I saw a man, and he was sitting at an old-fashioned receiver. He had these headphones on. And the Lord says, get ready for in the midst of warfare, the Lord says, I'm downloading strategy to My church. There's a direct connection even with My Spirit, says the Lord. And I have made you to be hearers of My Word. And I'm looking for those that are doers of My Word. The Lord says, strategy, strategy, strategy, strategy. I'm implementing strategy. I'm downloading strategy. Those of

you that would have ears to hear, the Lord says, I'm anointing ears. I'm anointing the Body. And the Lord says, that even in the midst of warfare, I'm going to cause you to rise up. I'm going to cause you to call out to Me. I'm going to anoint your hearing and you're going to hear strategies. You're going to see the release of prophetic strategies. The Lord says, get ready. You're going to see My handiwork. You're going to see My intelligence. You're going to see Who I Am in the midst of the strategies, for I cause the enemy to be a fool that walks into My plans, says the Lord.

I saw these men in service, these fighter men. There was a set of 3 blue and 3 gray uniforms. The Lord says, get ready because 2024 is a year of strategic alignment. The Lord says, even in the times past you would have said, I'm not a part of that group. I'm not a part of this group. This group is better than that group. But the Lord says, no more. I'm bringing out a spirit of unity in My church. Even as things begin to heat up in 2024, I'm bringing about unity in the body. And those that were your competition are going to be your allies. Those that were the ones that you were different from, I'm bringing into an alignment, says the Lord. For I desire unity because in unity, I move. In unity, there's power. In unity, there's an explosion of My anointing. Get ready for a move of unity, says the Lord because I'm going to call a people that are willing to stand in rank. And as they stand in rank, they form a barrier. As they form a barrier, the gates of hell shall not prevail against it because I'm going to move in a mighty way in unity, says the Lord.

I saw a ship, a multi-tiered ship. An explosion came out of this ship, and I saw this building and it blew it apart. And the Lord says, get ready because I'm building up a multi-tiered anointing for warfare even in the hour, says the Lord. get ready because I'm building My Bride, layer upon layer, upon layer, upon layer. Don't think that you're too small. Don't think that you're too big; don't think that you're insignificant because I have layers of anointing. I have layers of strategy. And the Lord says, I'm going to cause My Bride to go forward like a mighty vessel of war. A mighty conquering anointing is that that I'm bringing upon the Body of Christ in

this hour, says the Lord. I'm going to use you to blow apart the structures of the enemy, things that have been notable in the land, the things that have been built in the land. The buildings, the structures, the Lord says, I'm going to cause My Bride to be even that that pulls down strongholds, even that that breaks apart strongholds because a freedom anointing is what I'm building in My Church, says the Lord.

For EWWM, I saw an eagle. The eagle was in flight. The eagle was wearing these goggles like glasses. The Lord says, get ready because I'm fine tuning the anointing of discernment. The anointing of the prophetic unction is even that that I'm fine tuning even in this hour, says Lord. The Lord says, I'm sharpening the prophetic. I'm sharpening the prophetic. The Lord says, I'm causing the prophetic to be very lean, very sharp, very accurate and the Lord says, I'm going to bring about a word that is very pointed, a word that brings down barriers, a word that brings down strongholds, a word that sets the captives free, for truly, I'm protecting the anointing that's upon this house, the anointing that's upon this ministry, for I desire a voice to go forward. Yes, EWWM, you are a voice. You will see nation after nation hear the sound of your voice because your voice is My voice and I desire to speak My Word. Rise up in the prophetic. Open up your mouth and I will fill it, says the Lord. I desire to pour out My Word, signs and wonders, even through this ministry, says the Lord.
