

Word for 2024 – Elisa Sorbara

2024: A YEAR LIKE NEVER BEFORE

And it Will Require...

Strategies Like Never Before

2024 will be an unprecedented year that will require an unprecedented response. I saw a chess board, and pieces being rearranged. It looked like the enemy had the upper hand and was about to enter a checkmate position. Then, the Lord came, and through His church, the pieces were rearranged, and the opposition was forced to retreat.

John 10:27: "My sheep listen to my voice; I know them, and they follow me."

It is not a year to fear and retreat, but rather to be wise and advance. The church will receive strategy to blindsides the enemy, causing them to lose ground, but only if it uses the strategy of the Lord and not of man.

Vision Like Never Before

I saw the Lord adjusting the focus of His church. Like fine-tuning the lens on a microscope, this year He will make even the smallest components of His vision clear, to those who are willing to pursue that clarity.

Habakkuk 2:2: "Then the Lord answered me, and said, 'Write the vision and make it plain on tablets, that he may run who reads it.'"

The Lord says, "Some are still holding onto the visions of old, when I desire to show you the plan for the new. Resubmit those visions to me, and I will make it clear to you what is actually to be. Know what to focus on this year and then don't look away, because even one wrong glimpse can lead you astray."

Submission Like Never Before

2024 will be a year of divine shuffling. Those who choose to be fully submitted to the Lord will be put in their proper place within the body of Christ, if not already there.

1 Corinthians 12:18-20: "But as it is, God arranged the members in the body, each one of them, as He chose. If all were a single member, where would the body be? As it is, there are many parts, yet one body."

I saw the Marketplace & the Church linking arms, and strategic relationships being built to facilitate wealth transfers and provide practical resources to fulfill Kingdom purposes.

The Lord says, "It is a year to know your role and to do it well, with all your heart. Don't be discouraged, even by a slow start. In 2024, you can win with me, but unity is the key to lasting victory."

Divine Strategies, Clear Vision & Perfect Submission will carry you through 2024: a year like never before.
