

## Word for 2024 – Mave Moyer

2024 is a time for spiritual war and the prophetic roar...

A time to proclaim and profess...

Gods going to make a miracle out of this mess...

We will see intercession that's marked by an interception of the plans and purposes of the enemy, and we will rejoice in the victory of our prayers...Warfare prayer and spiritual combat will be the call of our commander and chief. It's time for all those who "fell away" to fall in!! We will become like a highly trained elite prayer force coming against the wiles of the enemy. We will lock and load on the devil and see him defeated.

2024 will be marked by a quickening season of change...

it will shake the earth and influence the political powers that have devised evil and pushed a demonic agenda.

A great shift is coming to the powers that be...that will evidence and enforce the power "THAT IS"

There is a GLORY coming and a greater anointing that shall uncover and reveal and destroy the works of darkness that operate in the body of Christ through manipulation and charismatic witchcraft that have caused many to never achieve the fullness of maturity in Christ.

It's a delusional power that has brought deception...because many have accepted and tolerated the "truth" of the world that has worked to enslave North America in a compromising cultural nightmare.

Get ready for many "so called" powerful...private lives to be uncovered and exposed as God brings justice and judgment to the House of the Lord.  
God will not be mocked!

Whatsoever the devil has purposed for evil for those who love God and are called “according to HIS purpose” will be turned for good...

The kingdoms of this world will become the kingdoms of our God!  
I am speaking to my bride...to the remnant in this hour...those who have stood strong in the midst of the winds of adversity who have waited on my timing...diligently prayed, and fasted and called upon My Name. In 2024 I will bring refreshing...restoration...revival and reversal of all the plots and plans of the enemy... My anointing will break and destroy these demonic yokes, that were assigned to bring destruction... and I will bring destiny.

2024 will be a year of "MORE" for those who have been faithful. Faithfulness will bring forth fruitfulness and lead to an overflow of open doors of opportunity and blessings...

In the midst of the darkness of the hour we are living in...we will also experience more of the light of His presence, and He will not only reveal the works of the darkness but the hidden treasures as well.

We are in the beginning of sorrows and the days of darkness covering the earth and gross darkness the people...

I saw a huge dark fog moving over the face of the earth...and it was covering people in a deceptive reality that was full of confusion and chaos...and then I heard the wind pick up and a strong breeze began to blow that brought a greater grace and empowering wind to blow away the fog and bring GOD’S TRUTH and a fresh faith to a people who had been deceived.

The promise of 2024 is moving forward and meaningful in God...even in times of great difficulty, those of us who stand firm will experience MORE...We will walk in an abundance of divine provision...and the world will look in wonder upon the body of Christ...and we who have suffered disdain will command respect again. ❤️
