## CREDENTIALING INFORMATION

ICPL members are relational and accountable to one another. ICPL does not license or ordain prophets. ICPL does prophetically commission you to your calling. Neither is ICPL a "covering" agency. It should not be considered the primary accountability agency for any of its members. We encourage our members to establish those kinds of relationships with other individuals and/or organizations that can adequately provide the kind of true covering and accountability that all leaders need on a personal level.

## ICPL MISSION

THE INTERNATIONAL COALITION OF PROPHETIC LEADERS IS AN ALLIANCE OF FIVE-FOLD MINISTERS OPERATING IN THE OFFICE GIFT OF THE PROPHET, FROM EPHESIANS 4:11-12, THAT HAVE CHOSEN TO WALK IN COVENANT RELATIONSHIP WITH ONE ANOTHER AND IN ALIGNMENT WITH THE APOSTOLIC MOVEMENT.

Our primary and overlapping interest is the restoration of the office gift of the Prophet and the gift of prophecy back into the church with character, integrity and proper biblical protocol. We are in alignment with the Apostolic movement and with the other five-fold office gifting's: the Teacher, Pastor and Evangelist.

We believe in proper order, protocol, alignment and accountability in the Body of Christ, and in accordance with this, our movement is: **apostolically led and prophetically influenced.**

We are a company of prophets, prophetic intercessors and emerging prophetic voices. Our focus will include proper biblical education, training, practical experience, with a generational focus on legacy, as well as being a prophetic voice to this generation. We consider it essential to equip and empower the next generation with a vision for the future and to work together for the establishment of legacy.

***"In alignment with the Apostolic Movement."***
